DETAILED ACTION

Allowable Subject Matter

Claims 2-4, 7-14, 16-18, and 21-24 are allowed.

The following is an examiner's statement of reasons for allowance: the prior art of record, taken alone or in combination, fails to disclose or render obvious a method and apparatus for controlling manufacture of anisotropic and depolarizing objects that includes determining at least two selected components of the Mueller matrix that represents the object and that characterizes the manufacture of the object, the selected components being other than ellipsometric angles ψ and Δ and the trigonometric functions of the ellipsometric angles ψ and Δ ; making an ellipsometric measurement of object during manufacture; extracting, from the ellipsometric measurement, only the determined selected components of the Mueller matrix; and controlling the manufacture of the object in relation to the extracted components of the Mueller matrix the at least two selected components being one of a linear combination of the lines of the Mueller matrix and a linear combination of the columns of the Mueller matrix, in combination with the rest of the limitations of claims 21, 22, and 24.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
